**Showcasing the Educational Opportunities and
Facilities in Northwest PA**

February 9, 2011

10:00 AM to 2:00 PM

at Miller Training/Sperian Fall Arrest Systems, Inc.

1345 15th Street; Franklin, PA 16323

The Northwest Pennsylvania Marcellus Shale Taskforce has taken a proactive approach to addressing and meeting the educational and training needs for the Marcellus Shale initiative. Participants will have the opportunity to tour the Miller Training/Sperian Training Facility and become acquainted with the safety training programs that are available at the state of the art Franklin facility.

There will be presentations describing programs that are available in the Northwest PA Marcellus Hub region such as.

- Pipe Welding with the American Petroleum Institute Certification
- Off Road CDL training
- Community College Collaboration Programs
- Venango Technology Center
- And opportunities to discuss the training needs of the companies involved in the Marcellus Shale Initiative.

This effort is being sponsored by the Keystone Community Education Council and the Oil Region Alliance. There is no fee for participating in this event. Seating is limited so register by January 29th to assure that you have the opportunity to participate. Lunch will be provided.
