

Regional Impact of the Petrochemical/Cracker Plant on Western PA Forum

OPPORTUNITIES FOR MANUFACTURING ♦ ENTREPRENEURS ♦ EDUCATION

Regional Impact of the Petrochemical/Cracker Plant on Western PA Forum

The NWPA Oil and Gas Hub Taskforce invite you to join us on March 8th, 2017 from 9AM-4PM (8AM registration) at the Cross Creek Resort in Titusville, Pa.

Cost: \$65/person or \$50/person with a group of 2 or more from the same company

The Petrochemical/Cracker Plant that is being constructed in Monaca, PA will have a major economic impact to Western PA for decades to come. Learn what is needed to make the most of the opportunities that are coming to Western PA as a result of this project.

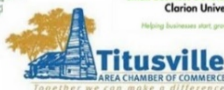

PRESENTERS: Louisiana leaders in industry, economic development, and education will share their experiences and what they have learned from the opening of a cracker plant their area. Also leaders in the Oil and Gas Industry will update you on the progress within the industry in PA.

Agenda:

- 8:00AM – 9:00AM Registration
- **Welcome, Introductions, and Forum Objectives:** Dan Weaver, PIOGA
- **21st Century Petrochemical Industry –Overview for Manufacturing Facilities and Educators:** Dan Borne, Louisiana Chemical Association
